**International Conference on  
Nanomaterials and Renewable Energies  
(ICNRE 2018)**

15-17 October 2018 Skikda, Algeria

## Call for paper

The 1<sup>st</sup> International Conference on Nanomaterials and Renewable Energies (**ICNRE-2018**) is organized by the Department of Technology, Faculty of Technology, University 20 Août 1955-Skikda. This 3-day international event invites all the participants from all over the world to register for **ICNRE-2018** which will be held during October 15-17, 2018 in Skikda and will include plenary sessions, oral talks, poster presentations and exhibitions. It offers a good opportunity by hosting a large meeting of scientists and researchers from all over the world to focus on learning about Nanomaterials and Renewable Energies and exploring advances in this research domain, including theoretical and experimental aspects, applications of such technologies and other related topics.

We are delighted to invite all scientists, researchers and involved institutions to attend the (**ICNRE-2018**).

### Conference Topics

Topics of interest include but are not limited to

#### Area 1: Nanomaterials

1. Nanomaterials and Materials: Synthesis, Characterization & Applications
2. Nanophotonics
3. Nanocomposites
4. Nanofluids
5. Polymers, ceramics and composites Materials
6. Theoretical & Computational Approach for Nanoscience

#### Area 2: Renewable Energies

1. PV Systems
2. Wind Systems
3. Smart Grids
4. Optimization and identification Multi-sources
5. Optimization and diagnosis of multi-source systems

### Paper Submission

Please send your abstract to the following email address according to the Abstract template

Email: [icnre2018skikda@gmail.com](mailto:icnre2018skikda@gmail.com)
