Greetings from the General Chair

On behalf of the organizing committee, it is my pleasure to welcome and invite you to the first International Conference on Technological Advances in Electrical Engineering (ICTAEE2014) that will be held at the Faculty of Engineering – 20 August 55 Skikda University, on Oct. 27 – 29 2014. The venue, city of Skikda is the largest city in the East of Algeria, and it is the Economic Capital of East Algeria. The event will be held over three days, with presentations delivered by researchers from the international community.

Dr. Boudebbouz Omar
Dr. Laifa Abdelaziz
Dr. A.H. Ben Zaid
Dr. Krikeb Mohamed
Dr. Bendib Riad
Dr. Larkam Machhoud
Dr. Adlene Ramdane

The Topics Included:

- A. Control systems
- B. Signal & Image processing
- C. Power systems
- D. Electrical machines
- E. Analysis and diagnosis of systems
- F. Renewable energy
- G. Modelling and simulation of systems
- H. Advanced technology of communication
- I. Nanotechnology
- J. Embedded Systems

Conference aims

The ICTAEE'14: International Conference on Technological Advances in Electrical Engineering aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results about all aspects of Electrical Engineering and Technology. It also provides the first interdisciplinary forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered and the solutions adopted in the field of Electrical Engineering and Technology.

Instructions for Authors:

A full paper proposal describing work not previously published or presented has to be electronically submitted in PDF file through the conference website no later than the deadline.

Selection will be based upon full length 6-8 A4 pages paper proposals in IEEE double column format.

Estimated registration fees

5000.00DA for each participant (author or non-author), includes attendance to all conference sessions, conference bag (conference program, proceedings on CDROM, volume of Abstracts), invitations to the welcome reception and the banquet, 3 meals per day for 3 days.
